

# Justicar - Palacetamol - M20

## BY Palacetamol

Active companion can be changed with Angel of Protection or Spined Devil for single target boss fights (10% debuff).  
Shield of Gods (Divine Protector) will max out Awareness, thats why we use Envenomed in the build.  
Another solid choice is to use the new Diamond artifact set for the 5% Awareness and DR. Hard to proc in most dungeons tho.
